

DELIVERY & INVOICE FOLLOW-UP

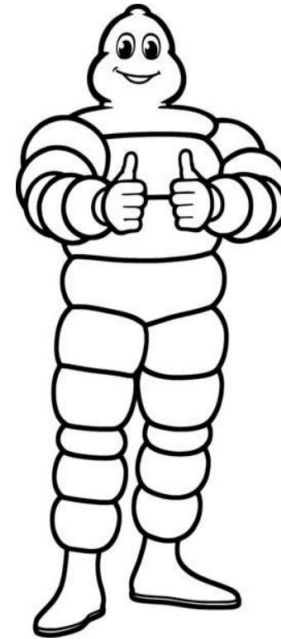

Welcome to Michelin System to System Portal
introducing Michelin integration capabilities.

Explore our main feature and associated benefits

AUTOMATIZE YOUR RECEPTION AND PURCHASING PROCESS

Delivery List (DESAVD) and **Invoices** (INVOIC) give you all information of load on-going to your site and attached invoices.

Reduce manual entry and concentrate on the matching process to get rid of discrepancies.

OUR RECOMMENDATION

FULL PROCESS AUTOMATIZATION

Decrease your administrative costs : secured and reliable invoice transmission via EDI.

Automatized ordering process : quickly update your stocks by integrating our deliveries via API.

FOR YOUR POINT OF SALES

TIDY AND ACCURATE STOCK

A fast reception process helps you keep a stock you can rely on to serve your customers.

FOR YOUR HEADQUARTERS

-64% LESS INVOICING-PROCESS COSTS

Representing 11€ per invoice from reception to archiving steps*
